Winner– Isabella Ullrich, Yr 9, Rangi Ruru Girls School

Waiting, waiting forever. I've had flowers for you everyday, except you never see me. How did you not see me? I have a gift for you, flowers, but you never take them. Why? I love you. Have you ever noticed me? He's not right for you. I am, yet you like him because he makes you popular and he's sporty. I'm sporty, just not quite that good. I'm casual but you're not. You're one of those girls that everyone wants, but no-one can get you unless you want them. Will you notice me or will I be invisible forever?
